REQUEST FOR AN ORAL HEARING

Commissioner for Patents
P.O. Box 1450

TECHNOLOGY CENTER 2800

Dear Sir:

Even though it is believed that this case is not in a condition for an Oral Hearing because of the unanswered Petitions that have been filed, in order to avoid any further late fees, please consider this a request for an Oral Hearing in this Appeal. Also if necessary, please consider this also as a request for a two month extension in the time for filing this request. If this is charged to the accompanying credit card authorization, please also consider this as a request for a refund in this fee, as the delay was caused by the Office's failure to respond promptly to applicants phone and written requests. The fee associated with the Oral Hearing is also covered by the accompanying credit card authorization.

Respectfully submitted:

Ernest A. Beutler
